人物紹介

Youshi

On the surface, he's a quiet, happy, and somewhat shy middle schooler. Behind his innocent smile, he's just a cunning genius in disguise, one of those kids who would be the star athlete of any sports program. Since then, Youshi has become the star player in the...

Suou Rinka

He was called that from his high school and beyond. As a student, he was known for his exceptional talent in many areas, including a high interest in sports and academic achievement. He was known for being a very capable and...

Summary

Kirito from Club escaped, either as a dog or a girl, but when he was to give his body in exchange for money and power, Kirito began selling himself since he was very young and, at the age of 19, is now boxed with one.

The real Kirito, however, is a high school student. He is part of a famous martial arts family, but unlike his father and older brother, Kirito isn't interested in that and doesn't fight along with his family. Because he earns his living, he works as a host and independent.

When his allowance at school becomes dangerously low, Kirito quits his job and starts attending supplementary classes following a part-time teacher, a measure of his supplementary course.

By chance, Kirito learns that Yui (Kirito) is having an affair with his University professor, and when he makes the teacher for it, Yui's life is in danger, and he shows Kirito his real, violent side.

He beats Kirito badly, and Kirito gets aroused during the fight. Kirito then gets excited when he's a real Samurai.

How long will Kirito's heart last? What is his love?

Dear Readers,

You may notice that some pages of "Leopard Hakusho" volume 3 are slightly skewed. This is due to the faulty way in which the book was printed. While we take the quality of our scans very seriously, skimming the scans would have meant compromising the gorgeous artwork of Chigi Yuzuhito and we are decided against doing so. We hope you understand and that it doesn't affect your enjoyment of this manga.

Dear Readers,

You may notice that some pages of "Leopard Hakusho" volume 3 are slightly skewed. This is due to the faulty way in which the book was printed. While we take the quality of our scans very seriously, straightening the scans would have meant compromising the gorgeous artwork of Chigi Yuzuhito and we are decided against doing so. We hope you understand and that it doesn't affect your enjoyment of this manga.

Afterword

Hello, I'm Yuzuka Ougi. This is volume three of Leopard Hakusho, which concludes Rinka's story.

Rinka and Yakushiji. In the two volumes with them, there was no love or sweetness, so I was very anxious. I hope I didn't disappoint you with the lack of a proper love story. It will have a happy ending, so please wait a little bit more.

When I'm anxious, I have the urge to draw very quickly and have to endure it somehow. Drawing the troubles of Suou Rinka, the devilish host who devours women, was very enjoyable. Hehe, gives me goosebumps (goosebumps). I want to make him suffer even more for the next nine years. No, just joking. I like to bully him because I like him. He gives off so many photoreactors that I want to hug his hot body from behind and pat him like a good boy.

While the theme of volume two was "first love", volume three is about "love". And these two have only just started. From now on, their relationship will slowly deepen. I'm interested in what Rinka will do once he graduates. I want them to start living together. Is Rinka's dream to go on a proper date really that unreasonable? When I'm able, I plan to draw these two occasionally from time to time.

There's even a drama CD. The voice of Suzuki Tatsuhisa-san suits the cool Rinka perfectly and I love it. I also enjoy how well he matches Yusa Kouji-san's Yakushiji. They both perfectly express the change in the character voices from before they fell in love to after they fell in love.

Let's meet again in the fourth volume!

April 2011, Yuzuka Ougi
